

# EMAIL SEQUENCE SWIPE FILE

Complete Email Templates + AI Prompt Framework

By Advanced Marketing | Shopify Branding Blueprint

All prompts and templates are fully copyable

# How to Use This Swipe File

Maximize your email marketing with proven templates

This Email Sequence Swipe File contains battle-tested email templates used by 7-figure Shopify brands. Each template includes the complete email copy you can customize, plus an AI prompt to generate variations using your brand voice.

**IMPORTANT:** Before generating emails with AI, upload your Brand Guidelines document to ChatGPT, Claude, or Gemini to ensure consistent voice, tone, and messaging.

## The AI Prompt Framework

1. Upload your Brand Guidelines PDF to ChatGPT/Claude/Gemini
2. Copy the prompt provided with each email template
3. Customize the variables (product name, offer details, etc.)
4. Generate and refine until it matches your brand voice
5. Export to Canva for beautiful email designs
